Subject: FW: Deliberative: Harmonization Petition Coordination

Chris,

Based on our last discussion regarding the feedback you have received from Janet McCabe, I provided the response below to Jim Tamm and Rebecca Yoon at NHTSA on the NHTSA plans for issuing a FR response on the Alliance/Global June 2016 petition on light-duty vehicle issues.

Deliberative Process / Ex. 5

Thanks
Bill

Dear Jim and Rebecca,

I am sorry for not having given you feedback earlier this week. When we had the conference call on December 2, Mike and I told you we would get feedback by this past Wednesday.

Here is what I know.

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Once Mike, Robin or I know more on the game plan we will let you know. We have not drafted a Desk Statement yet, but we will probably do that on Monday in case that is the direction EPA goes, and we can share that with you once we get it cleared.

Best regards,
Bill

Hi Bill,

Deliberative Process / Ex. 5

Would you have a few minutes tomorrow to discuss EPA's thoughts on the petition and how best to coordinate NHTSA and EPA actions?

I'm available tomorrow between 9:00 – 10:00 or between 12:00 and 5:00.

Thanks.

Jim
